

Meeting Minutes – Marquette County ATV Club, Inc.

August 13, 2022

Meeting called to order at 10:00 by John Campbell, President. Attendance sheet provided for signature.

Minutes, July 9, 2022, were provided to attendees. Motion to approve minutes from July 9, 2022 made by Lynn O. seconded by Tom S. Motion passed.

Treasurer's Report provided to attendees. Motion to approve made by Lynn O., seconded by Gary O. motion passed to accept as presented.

Route Activity: Town of Harrisville is considering a referendum to open all town roads. They also want County Rd J from Harrisville to Westfield, but even if this is approved in the Town of Harrisville, it will need to be approved by the Hwy/Safety committee and this is doubtful. The club will not sign this as we have a work around that is much safer. The club has received several "concerns" regarding people riding from and to River's Bend Campground using the ditch on Hwy 22. south of Montello. Owners of the property being used have not given permission. We are looking at options, but for now, we are not allowed to ride the ditches on any road.

Princeton opened all city roads; however these routes are not in our club and there is no organized club in that area. The city is using limited signs for open routes. The signs we put up for "no ATVs" will be removed and returned.

Discussion on new regulations on riding on state highways that may allow us to get to some area that we cannot get to now; however, we will need to find out more about the application process to do this.

Discussed other counties / clubs in Green Lake, Columbia, Wood, and Dodge who are all opening up routes. Still having difficulty connecting routes to ours.
